'Young Champions' Meet Information

The Staff of Rising Star Gymnastics is gearing up for our 7th Annual Young Champions Meet. The Meet will be held on Saturday and Sunday, May 16 & 17, 2009.

Your child will be in one performance on one of the days.* All of our students from Koala's in Preschool class to our Rec- Team gymnasts are invited to participate. Routines have been designed for and taught to each level of gymnastics. The routines include the skills the children have been perfecting in class over the past months. Our teachers are preparing all the classes and students for this *highlight*. The *Best* part is that there are only winners at the '**Young Champions**' Meet. We strongly encourage every student here at Rising Star Gymnastics to participate. The experience is always positive and worthwhile.

Our 'Young Champions' Meet is patterned after an official USA Gymnastics meet. This is a special way to showcase the children's hard work and efforts in the sport of gymnastics, as well as give everyone a taste of the **thrill of competition**. We highly recommend inviting family, friends and special folks to watch the faces of victory! The meet fee of \$35 dollars, covers the competition costs as well as the cost of the gifts and ribbons for the athletes. It also covers the cost of admission for 6 people. You will receive your admission tickets with your paid registration. Admission at the door is \$3, babes in arms are free.

All the staff and workers donate their time in order to put all proceeds into the RSG staff **education fund**. Each year, staff members attend national clinics to enrich our knowledge in all aspects of the sport. Our top priority is being the best at what we do: Teaching your children great gymnastics in a safe and fun learning environment. We accomplish this by incorporating the latest techniques in innovative gymnastics progressions, thereby giving all children the opportunity to succeed in this sport and in life! We thank you for your support! At Rising Star Gymnastics -
